Mysuru-Bengaluru 10-lane Expressway

Gadkari completes aerial survey; drives on NH 275

Mysuru, Jan. 5 (RK&BCT)- Union Minister for Road Transport and Highways Nitin Gadkari began the inspection of the progress of the 10-lane Mysuru-Bengaluru Access-Controlled Expressway (NH 275) through an aerial survey this morning.

He was accompanied by Karnataka PWD Minister C.C. Patil and Mysuru-Kodagu MP Pratap Simha. The Highway which has a design length of 118-km is scheduled to be inaugurated by Prime Minister Narendra Modi ahead of the Karnataka Assembly elections.

The inspection comes after several complaints and allegations related to the project. In August last year, a stretch of Ramanagara was submerged in the rains. There were also allegations of substandard work done by the project contractor with no suitable access to the towns and villages along the Highway.

Gadkari tweeted during the course of the aerial survey: "Assessed the Bengaluru-Mysuru National Highway work which is part of our Greenfield Corridors project with Karnataka PWD Minister C.C. Patil and Mysuru MP Pratap Simha."

"Minimising the congestion in Bengaluru by driving the crowd to a comparatively cheaper cost-of-living city, the project will extend paths for new investments through industries, real estate and educational institutions in Mysuru," the Union Minister tweeted.

Chopper lands on Expressway: The chopper landed on the Expressway at Jeeganahalli (Kempegowdana Doddi) near Ramanagara at 1.45 pm and after exchanging pleasantries with Ramanagara District Minister Dr. C.N. Ashwathnarayan and Mandya District Minister K. Gopalaiah, Bengaluru Rural MP D.K. Suresh and former Minister C.P. Yogeshwar, the Union Minister proceeded to inspect the Highway till the entrance of Bengaluru.

As per the earlier plans, Gadkari, however, did not drive a vehicle for personal experience. Instead, he chose to travel in a Mercedes Benz to assess the road. He is scheduled to address the media at a particular point near Bidadi.

You can still enrol name in draft voters list

Mysuru, Jan. 5 (BS)- District In-charge Secretary and District Election Observer N. Jayaram has said that there is still time for the voters to make any changes in the draft voters list — like making any corrections and inclusion of names.

Jayaram came out with specific instructions at the meeting of representatives of various political parties held at Deputy Commissioner's Office in city on Wednesday.

Stating that there is still provision for eligible voters to make corrections if any in the draft voters list till the Election Commission of India (ECI) announces the calendar of 2023 Assembly elections, Jayaram said the list is available on *https://ceo.karnataka.gov.in,* the official website of Chief Electoral Officer, Karnataka State and the voters can verify the list for authenticity.

Dial Helpline 1950

Deputy Commissioner Dr. K.V. Rajendra cautioned gullible voters about some people collecting details during elections and deceiving them. Hence, you should not share any such details or documents with persons other than those related to the Election Commission.

Unlike earlier days, there is no need to wait till Jan.1, considered as the day of eligibility for those who turn 18, to apply. Those aged above 17 years also can apply in advance. From Aug.1, 2022, applications in simplified format have been introduced. The new format of Form-8 is available to include names in the voters list and for making other corrections. Besides, measures will be taken to link Aadhaar with Voter ID (voluntary) and priority to verify the duplication of names and photos and prepare a foolproof list, the DC added.

Suitable amendments have been made to Section 14(B) of The Representation of The People Act 1950 and The Registration of Electors Rules 1960. Accordingly, apart from the existing eligible date of Jan.1, provisions have been made to include the names on April 1, July 1 and Oct.1 too. Henceforth, voters list will be updated every quarter to ensure that the names of eligible voters who attain 18 years will be added to the list and Electors Photo Identification Card are also distributed to them.

EDITOR'S BOTTOMLINE

Vedanta says our only real duty in life is to be happy, cheerful, full of mirth and mischief, irrespective of what the world offers. The fountainhead of happiness is within. Not just happiness but infinite happiness. This is possible only when you get to Perfection.

Ancient seers were intrigued. Is it possible for the ordinary, finite human to transform into the extraordinary, infinite, superhuman? They found the formula for Perfection. Human minus desire is God, the Perfect Person. Desire prevents you from achieving success, makes you unhappy and keeps you stunted and dwarfed. We are so caught up with desire that we cannot conceive of a state free from it. The Bhagwad Gita does not ask you to give up desire. It only asks you to do what you are familiar with — just escalate to a higher desire, a more fulfilling one.

All we need is inspiration. A mother who is inspired to do her very best for her child breaks through physical barriers and excels. A scientist on the verge of an important discovery rises above physical limitations as well as emotional hang-ups. Finally, when you are consumed by a spiritual goal, you smash through all barriers. Develop the intellect. Shun impulsive, thoughtless living and move to a life led by the intellect. When the intellect gains strength, you become more objective and in control of your life. The intellect becomes sharp when you begin to reflect on the distinction between the permanent and the impermanent. Then you embark on the search for the Permanent. That journey is thrilling and the destination is infinite happiness..

The world's largest Monastic library

Admont: Admont Abbey, a Baroque monastery located on the Enns River in the town of Admont in Austria, hosts the world's largest monastic library, which also happens to be a stunning work of art.

Dating back to the year 1074 when the Benedictine monks of Salzburg decided to find their own abbey in the town of Admont, Admont Abbey is one of the most popular tourist attractions in the region of Styria. And while the entire monastic complex is impressive, the 70-meter-long library is undoubtedly the abbey's main attraction. Featuring flamboyant ceiling frescoes, wooden sculptures, gold busts, gilded bookshelves, and no less than seven frescoes-decorated cupolas, this is definitely one of the world's most beautiful libraries.

Although the abbey itself is almost one thousand years old, the library was designed in 1764 and built in the following years by the Austrian baroque architect Josef Hueber.

Streamline online payment of water bills

Sir,

It is good to know that the Mysuru City Corporation has created a website for payment of water bills — *mysurucitycorporationvvww.com*. But the site is not accessible 24x7 due to various reasons. If the authorities arrange to enable payment through apps as before, it would be highly welcome to ease the payment of water bills.

Can it be hoped that the authorities take steps as necessary for giving effect to the app supported payment system and also see that the website is accessible 24x7?

Mysuru, Jan. 5 (GA&BCT)- The Mysuru City Corporation (MCC) has begun the process of restoring the damaged portions of the heritage Chamaraja Wadiyar Circle on Albert Victor Road, facing the North Gate of the Mysore Palace.

Later, the Committee members informed Mayor Shivakumar who had directed the MCC engineers and staff to take up the restoration works on priority.

The MCC staff and workers led by the engineers began the work on the iron railings attached to the steps first. The iron barricades had been damaged due to the impact of the accident along with the nearby ornate pillar. MCC sources said that after the restoration works, the white marble statue will be cleaned so that the vehicle smoke soot accumulated on it is washed off.

Bird droppings on the heritage structure too will be cleaned and a granite slab on one of the steps that has slid away will be restored to its original shape. The structure was built between 1902-1903 by the then Maharaja Nalwadi Krishnaraja Wadiyar to commemorate the rule of Chamaraja Wadiyar X.

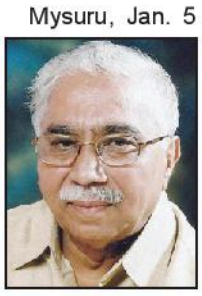
'Sambashiva Prahasana' playwright

Dr. Kambara files complaint

Demand to sack Rangayana Director by KRHVJ Vedike

Mysuru, Jan. 5 (SBD, PM & BS)- *Jnanpith* Awardee and Chairman of Kendra Sahitya Akademi Dr. Chandrashekhara Kambara has lodged a complaint with City Police Commissioner against staging and bad portrayal of his play 'Sambashiva Prahasana.'



Dr. Kambara

In a complaint lodged through e-mail, playwright Dr. Kambara has sought the Police Commissioner to take action against whomsoever related to the case. He is also learnt to have spoken to Police Commissioner B. Ramesh and expressed his regrets over the manner in which the essence of the play was changed and staged at Rangayana.

Dr. Kambara has stated, "It is highly regretting that Rangayana went ahead with staging of the play without seeking my permission. Secondly, there is no room for character assassination of any individual in my play. Hence, action should be taken against those who staged the play, gave the permission and the Play Director for meddling with the contents and creating an untoward atmosphere."

The Police Commissioner has assured to act suitably.

Vedike's deadline

Meanwhile, Karnataka Rajya Hindulida Vargagala Jagrutha (KRHVJ) Vedike President K.S. Shivaramu has warned of laying a siege to Rangayana, if the authorities fail to initiate action within a week against those who tweaked the content of the play 'Sambashiva Prahasana.'

Addressing mediapersons at Pathrakartara Bhavan yesterday, he said 'derogatory remarks have been made against both former Chief Minister Siddharamaiah and KPCC President D.K. Shivakumar in the play. Hence, action must be taken against whoever is associated with the play.'

Rangayana Director Addanda Cariappa should be sacked within one week and action must be taken against Play Director Karthik Upamanyu and other officials of theatre repertory. Or else Vedike will lay siege to Rangayana, he warned.

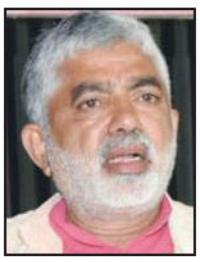
Prior to this, a meeting of like-minded people has been convened at Town Hall premises on Jan.7 at 10.30 am to chalk out protest plans. The leaders of various parties including BJP and representatives of various organisations will be invited for the meeting, he added.

Athi Hindulida Vargagala Jagrutha Vedike District President D. Nagabushan, leaders Yogesh Uppar, Ravinandan, Lokesh Kumar Madapura and Mysuru Basavanna were present.

Rangayana Director clarifies

There is no mention of Siddu, DKS names in play: Addanda Cariappa

Mysuru, Jan. 5 (MTY&BS)- Following the controversy over the Kannada play 'Sambashiva Prahasana,' Rangayana Director Addanda C. Cariappa has denied any wrongdoing on his part.



Addanda Cariappa

Speaking to *Star of Mysore* from Mangaluru this morning, Cariappa said "The names of neither Opposition Leader Siddharamaiah nor of KPCC President D.K. Shivakumar (DKS) were mentioned while staging the play. Moreover, in the copy of the play, second or third reprint, received by the Director of the play, there is no mention of having to take permission or to pay remuneration to stage the play, generally mentioned in some plays."

'There are several examples of how Siddharamaiah is being mocked at on social media, but nobody has any objection for that. Why this issue is being made in my absence, when I am on Shivamogga and Mangaluru tours for the staging of the play 'Tipu Nija Kanasugalu?' asked Cariappa.

"As my tenure as Rangayana Director has ended on Dec. 31, 2022, a plot is being hatched against me and I will not succumb to that. There is no such attempt to malign anybody," Cariappa clarified.

MGP monthly meeting on Jan. 8

To discuss 'Role of citizens in preserving heritage structures of Mysuru'

Mysuru, Jan. 5- The monthly meeting of Mysore Grahakara Parishat (MGP) will be held on Jan. 8 (Sunday) at 4.30 pm at its premises, 6/1 Vivekananda Road, Yadavagiri.

The meeting will be discussing the role of citizens in preserving Mysuru's heritage structures.

In recent years, heritage structures Lansdowne and Devaraja Market have been in the news. While Karnataka Government has taken decisions to demolish them to construct new buildings, a section of the society led by Mysore Royal family and some activists are for restoring the old structure to preserve the heritage buildings.

There are about 160 heritage buildings/areas according to a report prepared by INTACH way back in 1980s. MGP has a rare copy of this book which gives details of these heritage structures.

City's heritage experts Prof. N.S. Rangaraju and Dr. Syed Shakeeb-Ur-Rahman will interact with the participants to develop a plan of action to play a critical role to preserve the old charm of the city.

In 2020, Karnataka amended the Zonal Regulation Acts to preserve heritage buildings. However, from time to time the political leaders and bureaucrats violate the Heritage Act either knowingly or unknowingly. Unfortunately, when NGOs object to such violations, they are considered as anti-development.

Best example is the development of Chamundi Hill, which not only is a biodiversity hotspot but also has a rich heritage. However, in recent years, to promote tourism, Chamundi Hill has been vandalised by constructing multi-level parking lot and shops. It is to prevent such destruction of Mysuru's rich heritage, MGP has organised this meeting, said Shreeshail Ramannavar, MGP President, in a press release.

Bandipur 'Yuva Mitra' nature education scheme launched

Promotes learning-by-exploring through field visits, curriculum transactions related to forest, wildlife

Mysuru, Jan. 5 (MTY&BCT)- **Union Minister of Forest, Environment and Climate Change Bhupender Yadav** on Tuesday launched a free wildlife safari programme, **Bandipur 'Yuva Mitra'**, a nature education programme for students of Government Schools in Chamarajanagar district.

The 'Yuva Mitra' programme, a part of the Golden Jubilee celebrations of the launch of Project Tiger in Bandipur Tiger Reserve in 1973, aims to educate students on wildlife conservation of forests and their importance. It will be conducted throughout the year. The first batch of students' safari was flagged off on the occasion.

The programme demonstrates forest and wildlife citizenship qualities through positive change in behaviour and action at individual, school, family and community levels. Not only students, but also teachers, Principals, parents and all those who demonstrate these qualities become 'Yuva Mitras.'

Social peer group

Youths in fringe villages will act as a social peer group resolving to address issues of poaching, tree-cutting, forest fires, etc., says a note from the Bandipur forest authorities. The programme envisages providing an opportunity for underprivileged students to explore, understand, experience and learn more about Bandipur and its wildlife in the context of their immediate surroundings.

It will promote a learning-by-exploring approach through field visits and curriculum transactions related to forest, wildlife, forest ecosystem services and their conservation importance.

The programme will strive to create a positive National Park - people relationship so that they can convince the local people about the human-wildlife conflict and create awareness about the dos and don'ts when the animals stray out.

The programme will connect the stakeholders through 'teacher-to-child, child-to-child, child-to-parents and parents-to-community' to address conservation and forest-related issues.

800 Schools, 30 Colleges

There are over 800 Government Schools and 30 Colleges around Bandipur and the students are deprived of visiting and exploring Bandipur due to financial constraints and a lack of opportunity. The 'Yuva Mitra' has been ideated and planned to give an opportunity for these students to experience, explore and understand more about the Tiger Reserve and its wildlife in the form of awareness, said **Ramesh Kumar, Director of Bandipur Tiger Reserve.**

The Union Minister also released pamphlets and booklets on forest and wildlife and opened an outlet where decorative artefacts have been made from lantana weed by tribal communities coming under Mangala Gram Panchayat and the Forest Development Committee. The products will be made available to tourists and help in the financial empowerment of tribals.

Director General of Forests C.P. Goyal, Director General of Forests S.P. Yadav, Additional Chief Secretary Jawaid Akthar, Chief Conservator of Forests - Mysuru Circle M. Malathi Priya and others were present.

22nd NTCA meeting held at Bandipur Tiger Reserve

12 more cheetahs to come from Africa to Kuno National Park this month

Mysuru, Jan. 5 (MTY&BCT)- The 22nd meeting of the **National Tiger Conservation Authority (NTCA)** was held at Bandipur Tiger Reserve on Tuesday and was chaired by Union Minister of Forest, Environment and Climate Change Bhupender Yadav, who is also the NTCA Chairman.

The second batch of 12 cheetahs is likely to arrive in India from South Africa in January and discussions with South African authorities to translocate 12 cheetahs to Kuno National Park in Madhya Pradesh are at an advanced stage and the animals are likely to arrive this month.

During the NTCA meeting, officials from Kuno National Park gave a presentation on the preparedness for the introduction of 12 more cheetahs, comprising seven males and five females.

In September 2022, cheetahs came back to India after 70 years, when PM Narendra Modi released the first batch of eight cheetahs from Namibia into a quarantine enclosure at the Park. The five female and three male cheetahs were reintroduced as part of the 'Action Plan for Reintroduction of Cheetah in India' prepared by the Wildlife Institute of India. The Action Plan aims at introducing around 12-14 wild cheetahs (8-10 males and 4-6 females) that would be imported from South Africa, Namibia and other African countries. The cheetahs will be imported to establish an ideal population of the mammal in India.

The other points discussed at the meeting pertained to the development of tiger corridors for tiger movement; tiger relocation from one State to the other, which will solve the problem of inbreeding and opening of new zones in a couple of Tiger Reserves.

Sexual assault on graduate, forceful marriage and caste abuse

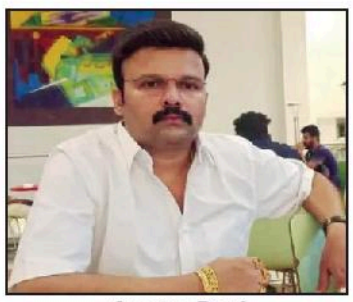
Case registered against Santro Ravi

Mysuru, Jan. 5- A graduate has lodged a complaint against K.S. Manjunath alias Santro Ravi of sexually assault, forceful marriage and caste abuse. Based on the complaint, Vijayanagar Police have registered a case against Santro Ravi under the provisions of Dowry Prohibition Act, SC/ST (prevention of atrocities) Act and under IPC Section 506, 498A, 504, 376, 270, 313 and 323.

In her complaint, the girl has stated that Santro Ravi in February and March of 2019 had given advertisement in a newspaper seeking financial assistant for his firm. On Mar. 2, 2019, the girl, a Mechanical Engineering graduate and a resident of Vijayanagar, called the number mentioned in the advertisement. Later, one Madhusudhan, said to be the office boy in Santro Ravi's Office, came to the house of the girl and took her along with her sister to a house in Vijayanagar 4th Stage.

She has stated in the complaint that there was no name board in front of the house and when she entered the hall of the house she saw a board with the name 'Sri Kukke Subramanya Enterprises' along with the name 'K.S. Manjunath, B.A., Financier.' An interview was conducted in the hall during which information pertaining to her education and family details were collected and she was sent back. Within a few minutes, she received a message 'You are selected' on her mobile phone and a new phone and SIM card purchased in her name was given to her.

The complaint further states



Santro Ravi

that on Mar. 7, 2019, she reported to work and at about 12.30 pm, the office boy gave her juice. After consuming the same, she fell unconscious in a few minutes and when she regained conscious at about 3.30 pm, she found herself naked on the bed in the office room with Santro Ravi sitting next to her. She alleged that Santro Ravi showed her naked photos and threatened her of filing a case by falsely accusing her of stealing Rs. 10 lakh cash from the office.

In April, 2019, Santro Ravi introduced lawyer Shashibhushan as his brother and on May 8, in the presence of the lawyer's family members married her in their (Shashibhushan's) house in Srirampura which her father did not know, the complaint stated and added that when she had come to Santro Ravi's house, he (Ravi) went to her father's house, abused him using foul language besides speaking bad about her caste. She alleged that in July, she received information that she was infected with Sexually Transmitted Disease (SIT) from a doctor and has accused Santro Ravi of concealing the disease despite him being infected and sexually assaulting her without taking precautions.

She has further stated in the complaint that she was thrown out from the Vijayanagar house in December and when she was staying in her parents' house, Santro Ravi, who had booked a room in a hotel, called her there and assaulted her sexually. She has stated that when they were staying together in an apartment at Kuvempunagar in March 2020, he (Santro Ravi) demanded her to get Rs. 10 lakh as dowry and to make a sale deed of the house which was in her father's name to his name. He also threatened of planting drugs in her house and book a false case.

In the months of April, July, August and September of 2021, Ravi had booked rooms in various hotels in her name and had made her to stay with him, she has stated in the complaint and added that on Nov. 22, 2021, when they were staying at a rented house near a hotel in Shashadripuram in Bengaluru, she got pregnant and Ravi had forcefully got the pregnancy aborted. She has also alleged that Ravi had got false cases lodged against her and her sister at Cottenpet Police Station and had sent them to jail.

Following the compliant from the girl that though Santro Ravi was already married, he had not disclosed it to her during her marriage to him and had also forced her to indulge in sexual activity with another person, Vijayanagar Police, who have registered a case under various IPC Sections and Acts, are investigating.

HDK dares CM Bommai to order probe into links between Ministers and Santro Ravi

Bengaluru, Jan. 5- Former Chief Minister **H.D. Kumaraswamy (HDK)** has dared Chief Minister Basavaraj Bommai to order a probe into the alleged links between BJP Ministers and Santro Ravi, against whom many cases have been registered in Bengaluru and Mysuru. "If the Chief Minister has the guts let him order a high-level probe and get the scandals investigated," he said.

Addressing a press meet here yesterday, HDK alleged that since 1995, a lot of cases have been booked against Ravi in various Police Stations in Mysuru and Bengaluru. He alleged that Ravi was operating from Kumarakrupa Guest House in Bengaluru and questioned "Who gave him the room there?" and demanded the Government to give all details about Ravi's connections with the Ministers.

"Who is Santro Ravi? Mysuru Police have registered a case against him recently. What is the connection between Ravi and Ministers in the BJP Government? A detailed probe is necessary into the matter," he said.

The former CM also said that the State Government should also probe those involved in taking JD(S) and Congress MLAs to Mumbai in 2019 to bring down the Coalition Government which was headed by him.

He alleged that 17 Congress and JD(S) MLAs went to Mumbai and enjoyed the five-star comforts before pulling down his Coalition Government. He dared CM Bommai to investigate as to who had funded the entire sojourn and footed the bill besides asking the CM to come out with the truth behind the links between Santro Ravi and BJP Ministers as well as the person responsible for industrialist Pradeep, who ended his life by committing suicide accusing BJP senior leader Aravinda Limbavali in the suicide note.

HDK alleged that many illegal methods were adopted to bring down the Coalition Government which he will reveal in detail after returning from the party's Pancharatna Yatra in Bidar and Kalaburagi.

DSS demands thorough probe

Mysuru, Jan. 5- **Dalita Sangarsha Samithi (DSS)** has demanded the authorities concerned to arrest Santro Ravi for sexually assaulting a girl on the pretext of giving her job and conduct a thorough probe. DSS has also demanded legal action against Ministers and senior officials who are supporting the accused.

DSS District Convenor Bettaiah Kote, Organising Convenor Shambhulingaswamy and Alagudu Shivakumar, who met the girl, have collected information from her and have issued a press note. In the press release, they have stated that Santro Ravi, with the help of influential Ministers and senior IAS and IPS Officers, was indulging in illegal activities by targeting helpless Dalit girls. After luring them on the pretext of giving them jobs, he had sexually assaulted them which has been proved by various documents.

Pointing out that a case under various IPS Sections and Dowry Prohibition Act and SC/ST (prevention of atrocities) Act has been registered against him, they said that the DSS, in a bid to get justice to the victim, has decided to launch a Statewide agitation for seeking justice.

The release further states that many criminal cases were registered against Santro Ravi in various Police Stations across the State and added that though Courts have announced him as a proclaimed offender, the Home Minister having contacts with such a criminal gives rise to doubts. A lawyer, who has to provide justice, a retired IPS Officer, retired IAS Officer and senior Police Officers supporting Santro Ravi have come to light through various documents and statements from the victim. Hence, the Chief Minister should take this issue seriously and provide justice to the victim.

The DSS has urged to conduct a high-level probe in this case to punish the guilty and also take legal actions against Ministers and senior Police Officers for supporting a criminal, the release stated.

Lecturer slapped Rs. 13 lakh penalty in cheque bounce cases

Mysuru, Jan. 5- A City Court has slapped a penalty of Rs. 13 lakh on a lecturer found guilty in cheque bounce cases. Kuppali Rishwanath, a Kannada lecturer at Kuvempunagar Government FGC in city, had received Rs. 10 lakh as advance from one R.K. Nagarathna, a resident of Vijayanagar 2nd Stage, on the promise of allotting a 50x80 ft. site for Rs. 11 lakh after forming a Layout at Sindhuvalli in Nanjangud, in December 2007. But as the Layout remained on papers, Rishwanath in a bid to return the money to Nagarathna, gave her three cheques for the principal amount of Rs. 10 lakh along with 12% annual interest. However, the cheques, when presented at the bank bounced, compelling Nagarathna to move the Court, where she filed three cases.

The Fifth JMFC Court Judge Dhanawathi, who heard the cases, ordered Rishwanath to pay a penalty of Rs. 2.60 lakh in one case and Rs. 5.20 lakh in each of the two other cases, totalling Rs. 13 lakh, out of which the complainant Nagarathna should get Rs. 12.85 lakh and the rest Rs. 15,000 be paid to the Government as Court expenses within 3 months, failing which the guilty Rishwanath would have to undergo a six-month jail term.

Advocate K. Eshwar Bhat argued on behalf of Nagarathna.

Mysuru, Jan. 5 (RK&BCT)- Probably for the first time in the history of Karnataka, a helicopter landed on a Highway for an inspection of the road by a Union Minister. A temporary helipad was created on the road with the symbol 'H' painted on the road for the pilot to visualise.

The make-shift helipad was created on the 10-lane Mysuru-Bengaluru Access-Controlled Expressway at Jeeganahalli Village near Kempegowdana Doddi at Ramanagara to facilitate the landing of the chopper carrying the Union Minister for Transport and Highways Nitin Gadkari who came for the inspection of the Highway this morning.

As a precautionary measure, fire engines, ambulances and emergency vehicles were stationed at the spot hours before the Union Minister landed.

The helipad was constructed in an area far from any bypasses or underpasses in an open area against the backdrop of mountains in the scenic Ramanagara. After an aerial inspection of the Highway till Srirangapatna, the Minister was scheduled to drive a vehicle to assess the undulations of the road from Ramanagara until the Bengaluru entrance.

Due to the inspection, the road was closed to traffic today and a five-kilometre stretch to and from Jeeganahalli was blocked. As a result, vehicles coming towards Mysuru and those heading towards Bengaluru had to use the service road on either side. The road is scheduled to be open for public only in the afternoon after the inspection.

Two vehicles were brought to the place for Nitin Gadkari to drive as he wanted to personally experience the road. But due to lack of suitability and lack of proper documentation, the two vehicles were sent back and two other vehicles were summoned to the spot.

After reaching the entrance of Bengaluru and after the media briefing at Bidadi, Gadkari's Benz will return to Jeeganahalli from where his chopper will take off to New Delhi.

The works were undertaken under two packages — package-I from Bengaluru (near Panchamukhi Ganapathi Temple to Nidaghatta, a total length of 56.2 km and package-II from Nidaghatta to Mysuru near Manipal Hospital junction, a total length of 61.104 km.

According to a press release from the National Highways Authority of India issued this morning, the total cost of the project is Rs. 16,815 crore including the cost of land acquisition, civil works and utility works.

Bengaluru - Chennai Expressway

Earlier, the Union Minister, seated inside a chopper along with Karnataka PWD Minister C.C. Patil, inspected the Bengaluru – Chennai Expressway.

The 8-lane Expressway which is 262 km long is being constructed at a cost of Rs. 16,730 crore.

Taking to social media, Union Minister Nitin Gadkari said that

the Bengaluru – Chennai Expressway has been designed for a speed of 120 kilometres per hour and shortened the distance between the two cities from 300 km to 262 km.

The Minister said: "The project will be cost-efficient for vehicle operators and lessen fuel consumption. It will strengthen the economic activities in Bengaluru and Chennai and also connect industrial hubs in Karnataka and Andhra Pradesh to the Chennai Port.

PM Modi had laid the foundation stone in May 2022 and the road is expected to pass through Karnataka, Andhra Pradesh and Tamil Nadu. The

Expressway is also expected to connect Malur, Bangarpet, KGF, Chittoor and Ranipet. The lane will end at Sriperumbudur in Kanchipuram district.

After the construction of the Expressway, the travel time from Bengaluru to Chennai is likely to be reduced from seven hours to three hours.

'Build multi-level parking lots, shore up revenue'

Suggestions pour in at MCC Public Interaction Meeting for Budget 2023-24

Mysuru, Jan. 5 (RKB&BS)- Focus on collecting taxes from Revenue Layouts and Markets in the city, check laxity among officers, build multi-level parking lot, construct buildings for augmenting permanent revenue, avoid heavy penalty on traders and install renowned sculptor 'Amarashilpi' Jakanachari's statue in the city.

These were among several suggestions that came in during the Public Interaction Meeting on drafting Mysuru City Corporation's (MCC) budget for the year 2023-24, convened by Mayor Shivakumar at Rani Bahadur Auditorium in the city on Wednesday.

Drawing attention, former Mayor H.N. Srikantaiah said, "The key emphasis should be on revenue and expenditure, with more focus on revenue sources. The collection of property tax is below expectation and is evident with tax still not being collected from Revenue Layouts. The officials are also systematically delaying the collection of taxes."

There are over 500 types of businesses in the city and even those in the realm are ready to pay the tax, but the officials refrain to act, alleged Srikantaiah.

Pointing out the loopholes, Srikantaiah said, "There has been a slump in the process of issuing Completion Report (CR) under building licence considered as the key source of revenue. There is also a dip in revenue generated from Vani Vilasa, Devaraja and Mandi Markets and no action yet on rectifying them. First, action should be taken to collect taxes from MCC-owned buildings as they are the permanent revenue sources."

Despite having nine MCC Zonal Offices, the people are still forced to run from pillar to post. The measures should be taken to cut the maintenance cost and have own buildings for Zonal Offices, he added.

There are not enough buildings from which MCC can get permanent revenue. This can be addressed by building multi-level parking lot. Due to the failure to hand over the related works to an efficient contractor at Town Hall, the parking lot has been left abandoned, he alleged.

Another former Mayor B.L. Bhyrappa said, "MCC should take into its possession the Bannimantap Industrial Area that is still under Mysuru Urban Development Authority (MUDA). The travails faced by the people still in obtaining Khata should be redressed. Though online services are introduced, most of them are still accessed offline."

Hotel Owners Association President C. Narayanagowda said, "There are still 4,000 complexes waiting for Completion Report (CR), proving a hurdle in obtaining trade licence. For trade licence alone Rs. 67,000 is being charged and the lacuna should be addressed at the earliest."

Vishwakarma community leaders said, "There has been a spurt in stray dog menace in the city, as they go on a biting-spree injuring children and old alike. Any Circle in the city should be named after 'Amarashilpi' Jakanachari along with installing the statue of the renowned sculptor. The community should also be allotted a CA site."

Savitha Samaja President N.R. Nagesh demanded for the installation of statue of Shivasharana Hadapada Appanna and name any Circle after Savita Maharshi.

President of Federation of Mysore Petroleum Traders Shashikala Nagaraj suggested shifting of small idol of Basava (sacred bull) near APMC Bandipalya junction and facilitate the puja rituals. Trader Ramesh Kumar wanted the officials to avoid imposing hefty penalty as the merchants are becoming wary of doing business in the city.

Mysore Chamber of Commerce and Industry (MCCI) President K. B. Lingaraju also exhorted for building multi-level parking facilities to avoid the burden on Devaraja Urs road and Ashoka road. The single tax should be collected instead of collecting double tax towards trade licence, he added.

Zilla Bhagiratha Uppara Sangha President Yogesh Uppar wanted more funds to be allocated in MCC budget for benefit of backward community hostel inmates.

'I didn't urge for shifting KSRTC Sub-urban bus stand'

Mysuru, Jan. 5 (BS)- President of Mysuru Hotel Owners Association C. Narayanagowda today clarified that he has not demanded for the shifting of KSRTC sub-urban bus stand in the city.

Following a report published in *Star of Mysore* yesterday under the title 'MCC budget for 2023-24: Public meeting held - Citizens urge shifting of City Bus Stand to Suburban Bus Stand and Suburban Bus Stand to Bannimantap,' Narayanagowda said: "I had only demanded to shift City Bus Stand to Bannimantap and build a mega parking lot at City Bus Stand and not to shift Sub-urban."

Asserting that 'Panchanga' detail is most sought after, he observed that despite this, the English calendar is much followed for commercial and other such purposes.

Highlighting the role of newspaper distributors and agents in the delivery of newspapers to every doorstep, Ramdas said that their efforts and commitment in their work is most commendable.

Sub-Committee formed for utilisation of funds

Senior Journalist Amshi Prasannakumar, who also spoke, said that the efforts of newspaper distributors, agents and boys in the delivery of newspapers during the COVID pandemic can be termed as exemplary. Pointing out that MLA Ramdas has apprised the Government on the issues concerning newspaper distributors, he thanked the MLA for making serious efforts to address them.

He further said that the Government has recently formed a Sub-Committee headed by Karnataka Media Academy Secretary Roopa to go into the means of spending Rs. 2 crore fund that was earmarked by the previous Siddharamaiah Government for the welfare of newspaper agents and distributors and to frame guidelines for utilisation of funds allotted from here on.

Roopa will soon be visiting Mysuru to interact with newspaper distributors and elicit their opinion on best use of the fund and for evolving welfare programmes, he added.

Nine senior newspaper distributors and agents of the city — Ashwath, C.K. Chalapathi, Kalegwoda, Nagaraj, Mahadev, Mogganna, Javarappa, Gaganna and Chikkaiah — were felicitated on the occasion in consideration of their service.

Mysuru District Journalists Association (MDJA) Vice-President Basavanna (Anurag Basavaraj), *Star of Mysore* and *Mysuru Mithra* Circulation Manager T.S. Gopinath, Sangha President B. Suresh, Vice-Presidents B. Suresh Kumar and J. Nagesh Murthy, Gen. Secretary N.K. Sundar, Treasurer J. Lokesh and others were present.

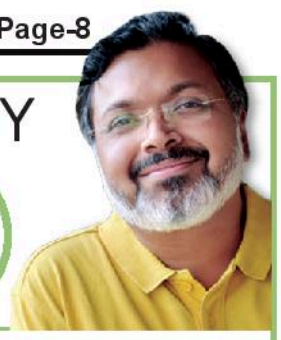
DECODING MYTHOLOGY



Dr. Devdutt Pattanaik - Author, Speaker, Illustrator, Mythologist

Pre-Macaulay Models of Teaching

Today, anyone can go to a school or an institute, where a set of subjects are taught by experts who follow a fixed time-table, an approved curriculum, a standardised method of teaching and evaluation. That was not the case before.

In the old Indian model, your caste determined what you could study. If you belonged to a Brahmin community, you could learn priestly rituals. The potter's son would learn pottery by working in the father's workshop. Knowledge existed within the family, within the community, that had to be transmitted only within the group, not to outsiders. This is how tribal knowledge is transmitted to the tribe, via parents and elders, through ceremonies, stories and apprenticeship.

In the Buddhist model, you would listen to the Buddhist teacher. So we have the image of a teacher under the pipal tree, with students at his feet, listening to what he has to say, asking questions to clarify doubt. Or you have the Upanishadic model, where two men exchanged ideas like Ashtavakra and Janaka. So either it was a download from a source, the guru, or it was a conversation between two experts and scholars. But this applies to philosophical ideas not to practical skills.

In Ramayana and Mahabharata, we learn of Princes who stay in the teacher's house and learn skills from him. But this was a privilege of the royal family, not for everyone.

Living in the teacher's house and learning from him was the most traditional model. The students served the teacher, did the household chores for him, while learning from him, and even paid him a tuition fee, the *dakshina*.

This model was there with mendicants and monks too, where you follow the master, who knows more than you, until you break away to establish your own school or *gharana,* a practice we find even today amongst music and dance teachers.

When we talk of Nalanda or Taxila University, we are talking of highly privileged institutions, which were funded by land grants and which had servants to do the menial chores, accessible to the educated Buddhist monastic elite. We hear of how Chanakya was a student and teacher at one such University, but we never hear of Chandragupta or Ashoka going to one.

Shankaracharya would have not got access to his gurus who were experts in Mahayana Buddhist and Vedic Mimansa traditions had he not been from a Brahmin community. That he spoke Sanskrit gave him access to Vedic experts around India. The common folk who spoke local languages lived in local geographies all their life did not have that privilege.

The centrally controlled standardised model came from Christian, Islamic and to some degree Buddhist worlds. The Hindu model was based on the expertise of teachers. Even today learning music and dance from a government school is never as good as learning it from a master expert's private academy. Here content was dependent on the teacher, not independent of the teacher. This is why the old Indian model of education was different from the Western model, creating highly refined quality, but not useful for scalability. The industrial model of education will always therefore follow the western route, not the cottage industry approach of India.

'Nruthya Bhushana' title conferred

In recognition of her impeccable service to the art fraternity, legendary Bharatanatyam artiste Dr. Vasundhara Doraswamy was bestowed with the title 'Nruthya Bhushana' at the recently held National Dance Festival organised by Bhushans Academy of Performing Arts and Visual Presentation. The title was given to her by internationally renowned Bharatanatyam artiste, Acharya and one of her senior most disciples Badari Divya Bhushan and artiste Dr. Anjana Bhushan. Abhyuday Dhyan Bhushan and Abhignan Vedant Bhushan are also seen in the picture. Dr. Vasundhara presented her solo dance presentation titled 'Amma - The Untold Tale' on the occasion.

Bhushan Brothers steal the show!

Mysuru, Jan. 5- Abhyuday Dhyan Bhushan and Abhignan Vedant Bhushan, aged 12 and 7 years, sons and disciples of renowned Bharatnatyam artiste couple Badari Divya Bhushan and Dr. Anjana Bhushan, captivated the audience as they performed for Hanuma Jayanthotsava at Sri Kote Aanjaneyaswamy Temple, Palace North Gate, Mysuru.

The young kids executed quite difficult asanas and poses with ease, grace and panache. The audience were spell-bound by their performance.

Both the brothers are learning Bharatanatyam voluntarily from a very tender age and are studying in Class 7 and Class 1 at Excel Public School.

Vid. Mukund comes from the well-known family of maestros and a household name in classical music - 'Belakavadi Family.' He started his early training under his mother Vidu. Radha Vijayaraghavan. He started his training in flute under Guru Vid. Parpancham Balachandran. He continued his vocal training under his grandfather Vid. Belakavadi Ramaswamy Iyengar. Influenced by Vid. Dr. N. A concert that focused on Mysuru composers

On the 10th of this month, **S. Hiranmayee** presented a vocal recital at Sri Nadabrahma Sangeetha Sabha. She was accompanied by **Krithik Kaushik** on violin, **Ramanujam** on mridanga, **R. Srinidhi** on ghata and **Poornima** on tamboora.

Hiranmayee hails from Mysuru but has later moved to Chennai in pursuit of higher learning in music. This young girl's seasoned singing brought a surprise to the listeners.

The concert had three notable factors. All the artistes on the stage were from Mysuru; all of them had their training in music from Mysuru Gurus; and the vocalist had mostly chosen Mysuru composers for the evening.

Chowdiah's 'Sheshachalavasa' in kedaragowla was treated

well with a neraval at the charana part — 'Parama Purusha Parandhama' — which was a pleasant surprise and a rare treat. Varali saw detailed elucidation. 'Karuna judavamma' by Sri Shyama Shastri created the mood of the entreaty in the composition.

The alapana of Poorvikalyani was good going up to the crest of the curve and gradually skying down the descent, leading onto the expected 'Marachitivo nannu Maravaku Raa Raama' by Mysore Vasudevachar, which also saw a neraval and detailed swaras at the first line of the charana 'Patita Pavana neeve gatiyani.' Her demeanour even while free-wheeling through swaras and smiling at the accompanists was pleasing. In Taniyavartanam senior mridangist Ramanujam sportingly offered several opportunities to Srinidhi to go solo and Srinidhi proved his mettle.

Krithik followed the main artiste faithfully throughout. The concert concluded not with the usual 'Pavamaana sutudu' but with a rarely heard mangalam by Sri Tyagaraja in suruti.

Hiranmayee has several decades of music ahead. With continued effort and practice, she will surely stamp her name in the field.

—Dr. Padmavathi Narasimhan

WORD OF THE DAY

Retrospective

Pronunciation: reh-truh-SPEK-tiv.
Meaning: Of or relating to the past or something that happened in the past.
Origin: At the end of the year, both introspection and retrospection are common. While introspection involves looking inward and taking stock of oneself, retrospection is all about recollecting and contemplating things that happened in the past. A look back at the history of the related adjective retrospective reveals that it retains a strong connection to its past; its Latin source is retrospicere, meaning "to look back at." Retrospective can also be used as a noun referring to an exhibition that "looks back" at an artist's work created over a span of years.
Example: "Despite the relative darkness of Hearts Aglow, [singer Natalie] Mering fondly recalls certain experiences from its genesis. 'It was a good time to fall in love,' she says, recalling those early pandemic days of binging TV, baking bread, and taking long walks and scenic drives through empty streets. As soon as she makes this point, however, Mering is quick to note it was also a time of anxiety and how she wishes she could have enjoyed those days more. It's a kind of retrospective wisdom that comes up frequently in her songwriting and in conversation: a generous quality that can sometimes make her seem older than her years." — Sam Sodomsky

THE ODD WORD

Radicivorous

Eating roots.

PHRASE OF THE DAY

Razzle-dazzle

Meaning: Razzle-dazzle is glamorous excitement; a spectacular or ostentatious display. Originally the term meant 'to distract or confuse by using energetic or elaborate action which may dazzle onlookers'. The imagery there seems to be that, when 'given' the razzle-dazzle, onlookers would be dazzled and distracted.
Origin: The original 'distract or confuse' meaning seems to have gone somewhat out of use. It was then always in the form of 'give someone the razzle-dazzle', that is, confuse them. The earliest use that one can find of that sense of 'razzle-dazzle' is the US newspaper The Saint Paul Globe, April 1885: Sir: As you seem to be in earnest in your efforts to give someone the dazzle-dazzle. The expression very quickly came to be used with a more positive intent, that is, where 'razzle-dazzle' was considered to be indicate enjoyment rather than deception. That's found in the Pennsylvania newspaper The Daily Republican, June 1887: A meeting at City Hall resolved to celebrate the Fourth [of July] by a general old-time razzle-dazzle.
